Thanks very much for this— I'm sorry it's been such a nuisance. The CoS to Watson is pretty intense in his frustrations so this is really helpful.
Is the swearing in still an issue?

Commr Lucki,

The RCMP number only includes deployed (on a duty). It does not include available but not used. I asked Mike O'Beirne to reach out to Carson to clarify and include the additional numbers.

Deployed can mean different things:

eg. Deployed from a different duty and available to support vs Deployed on a specific duty...

I believe the full number available (dedicated solely to OPS needs and assigned no other duty) is an important number.

Regards,

Mark
